

1. Go to either the Google Play Store or the Apple store and download the Apriva Pay Plus app. The icon will look as follows;

2. Once the application is downloaded, open it and choose "Activate app."
3. The username will be your e-mail address, and your password will be the last five digits of your MID.
4. Once logged in, you will be required to change your password to something of your choosing, but the username will remain the e-mail address on file.
5. You are now ready to process on your phone. Please see the Apriva Pay Reference Guide for instructions on how to use the app.
